

Dual-class

Dual-classing rules in the books are very light. This page solidifies them a bit.^{Ex}

- Characters can only dual-class when they have enough experience to level-up. Therefore, a character cannot dual-class at character creation.¹⁾

¹⁾

I highly doubt character creation dual-classing was intended to be allowed. For one, fighter → magic-user dual-class for extra starting HP wouldn't have a downside, so it's unlikely it was intended to be an option.
