

Wills

This is an extension rule (^{Ex}) and is not part of the official rules. That being said, the idea of characters having a will is supported by the 1981 character record sheet.¹⁾

If a character dies with money or items at a [moneychanger](#), but has not written a will, the stored wealth is lost. A will is simple statement of what happens to these items upon death. It should be sent to the DM.

Wills can be updated any time the character is in a city (see [settlements](#)).

A will section is found at the bottom of the back page.
