

Word of Recall

Establishing a sanctuary

There are no rules regarding what a “sanctuary” consists of for purposes of this spell. Use the following system:^{Ex}

A character can establish a sanctuary (which can then be used for *word of recall*) by spending one day preparing an area, including casting *blessing* followed by *sanctuary*. Other costs are considered to be included in the caster’s upkeep.¹⁾ The area must be safe and not anathema to the deity or power that grants the character’s magic. A character can only have a single sanctuary, but can “move” it elsewhere by preparing a new area.

¹⁾

As with similar rulings, the character must have reasonable access to candles, oil, chalk, or whatever is reasonable for their clerical preparations.
